

Cornell University

Welcome to OptumRx. Our team of pharmacists, care managers and customer service advocates work to get you the medication you need, conveniently and cost-effectively.

We invite you to read through the enclosed materials and the overview below for details about your new pharmacy care services.

### **Identification cards**

Below is the information needed to receive your pharmacy script. Keep this information in a safe place

<b>Pharmacy:</b>	
RxBIN	610011
RxPCN	IRX
RxGrp	PURCSHP
ID	W + ID

### **Broad network of retail pharmacies**

Make fewer trips to the pharmacy. You can also get a 90-day supply of your maintenance medication if you use a network pharmacy. Your plan's retail pharmacy network has thousands of retail pharmacies - including national chains and most independent pharmacies. For a complete list of participating pharmacies, use the **Pharmacy Locator** tool on the OptumRx App, go to [optumrx.com](http://optumrx.com) or call customer service at **1-866-868-1677**, TTY **711**.

### **Specialty pharmacy**

Optum® Specialty Pharmacy is part of your benefit program. They offer specialty medications and clinical support for complex conditions like cancer and arthritis. To learn more, call **1-855-427-4682**.

### **Generic medications**

Pay less for generics - safe, effective medications that usually cost less than brand-name medications. When you talk with your doctor, ask if a generic option could be right for you.

### **Download the OptumRx app**

Once your coverage starts, manage your prescriptions from your smartphone or tablet. The OptumRx app makes it easy to renew or refill your prescriptions and more- day or night. Get the app by searching for OptumRx in the Apple® App Store® or Google Play<sup>SM</sup>.

**Enhanced Savings**

Your pharmacy ID card may allow you to automatically receive discounts on medications and diabetic supplies not covered by the plan and on over-the-counter medications with a valid prescription. Discounts received on these prescriptions will not apply to total drug costs or out-of-pocket costs on your plan. For more information please go to [optumrx.com](http://optumrx.com) or call customer service at **1-866-868-1677**, TTY **711**.

**Questions?**

After your plan is effective, visit **[optumrx.com](http://optumrx.com)** to get the latest details about your benefits, set up your online account and get familiar with all the other tools. Or call us at **1-866-868-1677**, TTY **711**, and we'll be happy to help<sup>1</sup>.

**Next steps**

Keep your identification card in a safe place until your OptumRx pharmacy benefit becomes effective. Then set up your online account or begin using the OptumRx App so you can manage your medication on the go. We look forward to serving you.

Sincerely,

The OptumRx Team
